The dēhp Enrichment Experience was created by **The Salon & Day Spa's** massage therapist, Josette. "dēhp" which is pronounce "deep" stands for "**Develop Expression of Human Potential**". The treatments focus on balancing the rhythms of the body's **12 anatomical systems** which is used to achieve total relaxation and enhances the body's natural ability to heal and recover on its own. You will be taken on a journey of **imagery, process, meditation** and **deep insight**. "By learning to use your body in an organic way you can learn how to express yourself and let go of buried emotions and stress that keep you from moving forward in your own life", explains creator Josette Sullins.

The swanky resort which sits on 40 acres offers spa-goers a tranquil ambiance at the base Mummy Mountain as well as new amenities, enhanced services, and signature treatments. It is a paradise in Scottsdale filled with numerous relaxation options, from a soothing massage to an invigorating facial. Spend an hour or a day being pampered to perfection at **The Salon & Day Spa at the Scottsdale Plaza Resort**. Relax in the essence of the desert!
