Scottsdale, AZ – The Scottsdale Plaza Resort is honored to announce the acceptance of our 21st Gold Key Award. We pride ourselves in having unique employees with incredible customer service skills and dedication, 77 of which have been with us 10-plus years, all of which are integral in earning us this distinction. The *Meetings & Conventions* Gold Key Award is based on attitude of meeting staff, quality of meeting rooms, guest services and food & beverage services, proficiency of handling reservations, availability of technical/support equipment, and range of recreational facilities. Year after year we meet these high expectations.

Since its introduction in 1978, the *Meetings & Conventions* Gold Key Award has been recognized as one of the meeting industry's foremost achievements of excellence. Based on ballot votes from Meeting Planners, it is presented annually to a select number of the finest hotels around the world. The Scottsdale Plaza Resort has been recognized as one of the premium meeting facilities in North America.

In addition to the Gold Key Award, The Scottsdale Plaza Resort has also been recognized in 2010 with *Association Conventions & Facilities Magazine* Distinctive Achievement Award, *Insurance & Financial Meetings Management Magazine* World Class Award, and the *Corporate & Incentive Travel* Greens of Distinction Award.

The Scottsdale Plaza Resort is nestled on 40 acres in the heart of Scottsdale. The Resort offers wonderful amenities, five sparkling pools, tennis courts, a fully equipped fitness center, racquetball court, four restaurants including world renowned dining at **Remington's Restaurant & Lounge**, a full service Salon & Day Spa, plus a nine-hole putting green.
